

FLY LIKE A TRUE TRAVELER

ENJOY WORLD-CLASS COMFORT

SAS, a founding member of Star Alliance, offers three service classes – Business, Plus and Go – on its transatlantic routes:

- Newark – Copenhagen
- Newark – Oslo
- Newark – Stockholm
- Chicago – Copenhagen
- Chicago – Stockholm
- San Francisco – Copenhagen
- Washington DC – Copenhagen
- Los Angeles – Stockholm
- Miami – Copenhagen, Oslo and Stockholm
- Boston – Copenhagen

Through partnerships with United, American and Alaska, SAS offers smooth connections via its US gateways to Scandinavia from cities throughout US. From Scandinavian hubs – Copenhagen, Oslo and Stockholm –, SAS has an extensive network with Plus and Go service to many European cities.

Comfortable Cabins

SAS is updating its regular fleet with the new upgraded aircraft A330 Enhanced, and has also updated its long-haul fleet with new seats, entertainment system and WiFi onboard, offering customers a totally new travel experience on long-haul flights.

WiFi

Our long-haul aircraft are equipped with WiFi. It is complimentary in Business and Plus as well as for EuroBonus Diamond and Gold members. In Go, there is a charge of US\$19 or 3,000 EuroBonus points for the duration of the flight.

Entertainment System

All intercontinental aircraft have the latest in on-demand entertainment with a choice of 200 movies, TV programs, games, music, audio books and podcasts.

New inflight menu in SAS Business

With our Service Concept in SAS Business on long-haul flights, customers will enjoy a restaurant-like experience from our new menu. It features Scandinavian specialties such as Swedish lamb, Norwegian salmon and Danish veal served with locally grown vegetables. In addition, our customers get more personal service and enjoy higher quality in every aspect of the journey.

Updated SAS Lounges

Our airport lounges at Newark and Chicago O'Hare are newly renovated and our lounge at Newark is more spacious than before. The lounges offer our customers a homely comfort in an inviting Scandinavian atmosphere. Rest and relax, enjoy refreshments or catch up on some work in a calm, stress-free environment. We offer complimentary computer access, you can make Skype telephone calls and enjoy reading material amongst other services.

Earning Your Points

Earn points or mileage with SAS EuroBonus or any Star Alliance program incl. United Mileage Plus.

Free stopover in Scandinavia

Regardless of your final European destination, we offer you a stopover in one of Scandinavia's beautiful capital cities. For inspiration please visit scandinaviantraveler.com
