How it All Works

- Visit ccra.com/air and REGISTER online - if you are eligible, you will then sign the Participation Agreement.
- Once the airlines authorize your agency, CCRA will provide you online access to the airline agreements.
- You will then be able to Log In to CCRA Air to view our airline agreements and any current promotions that your agency is eligible to use.
- To issue a ticket, review the agreement and all promotions being offered, add the CCRA tour code along with the commission percentage.
- Remember, all tickets are issued under your agency's ARC Number, not ours - but they must adhere to ARC's Agent Reporting Agreement and IAR procedures.

What We Need From You

- **Read Our Emails**
We'll send a weekly email titled "Air Offers & Important Updates You Need to Know", along with any updates to our airline agreements. Please read our emails so you don't miss something important, such as a tour code change.
- **Keep us in the Loop**
Be sure to let us know when something changes. We need the agency contact information, ARC and Pseudo/Office ID's to be updated and accurate at all times
- **Dedicated Support**
We want to help but can't offer any commission, NET or discount agreement assistance via phone. All requests for assistance must be sent via email.
- **Feedback**
We rely on your feedback to improve our program. Please let us know what we are doing right and what we can improve upon.
